

# Employment with Transcape

**Transcape are always on the look out for enthusiastic personnel to join our progressive operation...our vision is to create quality landscape, timely and affordably**

## **Mission Statement**

Transcape aims to employ people who have pride in their work along with great communication skills in order to provide the best possible outcome for our customers.

Transcape values feedback from clients and staff, considering this a major component in achieving the highest level of workmanship.

## **Safety First**

The Team at Transcape insist on safe work practices at all times.

## **Respect when Serving our clients**

Transcape treats every client with respect, anticipating needs, working together towards a successful partnership. We endeavour to assemble staff who are sincere, hardworking individuals with a can do attitude, working in a team environment.

## **Our Team**

We believe it is only with everyone working as a team that Transcape is able to achieve our Vision and because of this we value employees who have the same vision. Transcape aims to give every employee the opportunity to better oneself through learning on the job as well as obtaining various tickets as the time arises.

## **The Environment**

The Environment takes front seat and is always considered when planning major projects.

## **Wisdom**

Sharing ideas and thoughts is how we work as a Team. This inturn helps us to progress and achieve high standards in our pursuit of excellence.

## **Opportunities:**

We have opportunities at times for apprentices through to Landscape Tradespeople at a Level 5.

Should you have a willingness to learn and better oneself , good values and a can do attitude, please email a copy of your resume to [transcape@bigpond.com.au](mailto:transcape@bigpond.com.au)
