

12. Ravenswood State School Landscaping and Irrigation (04/2020)

Client: FKG Gardner & Sons
 Client Rep: Brad Gardner
 Contract Value: **\$500,000**
 Role: Subcontractor

Scope: Due to Carpentaria Gold Mine expansion, Ravenswood State School was relocated to a new location in 2019. The relocation included redesign and refurbishment of heritage listed buildings and incorporation of new landscaped spaces, a memorial garden and new sports oval.

- Earthworks to create landscape levels required for finished surfaces
- Kerbing, planting and mulching – all plants supplied from our affiliated Nursery at **Rocky Springs**
- Turfing and hydromulching to general areas and sports oval
- Corrugated planters for student vege garden
- Long jump pit and sand pit
- Temporary and permanent irrigation
